# Clare Terrace

Clare Terrace is a 36-unit supportive housing development for people living with HIV/AIDS. The building includes studio apartments plus community space.

At least seven of the units are designated to serve persons experiencing long-term homelessness.

Clare Terrace is part of a network run by Clare Housing, a local non-profit that provides a continuum of affordable and supportive housing options that create healing communities, provide services for, and optimize the health of people living with HIV/AIDS.
